

IEUVI Optics TWG Meeting November 10, 2005 San Diego, California

1:00 30 min	Invited Talk by “Surface Science Expert” (To Be Announced) on Ru and Ru Oxide Surface Chemistry	
30 min	Oxidation Models: Japan Regional Update	
15 min	Oxidation Models: Europe Regional Update	
30 min	Discussion: Led by Prof. Ted Madey, Rutgers University and “Surface Science Expert” (TBA)	
15 min	Impact of Hydrocarbons in Optics Lifetime Test Chambers: US Regional Update	
15 min	Impact of Hydrocarbons in Optics Lifetime Test Chambers: Japan Regional Update	
30 min	Discussion: Led by Prof. Ted Madey, Rutgers University and “Surface Science Expert” (TBA)	
30 min	Benchmarking Test Results on SEMATECH ML1 Ru-capped Optics Test Sample	
15 min	Discussion: Possible Future ML1 Benchmarking Experiments	
30 min	Discussion: Prioritization of Task List From Optics Workshop Breakout Sessions: What Should Be Done; Who Should Perform Work; Areas of Possible Cooperation	
5:00	Adjourn for Buffet Dinner	
6:30	Dinner Concludes
